

Elephant Adoption Certificate

Rama

Adoption Period: 10/03/2021 - 09/03/2022

Dear Tina Alberni,

Congratulations on your elephant adoption. In so kindly choosing to adopt Rama you are helping us provide the specialist care your orphan elephant needs to grow and thrive.

You can stay in touch with our Orphans' Project through your exclusive access to our online Keepers' Diaries and monthly updates, with photographs and a location map showing where your orphan was rescued, creating a valuable record of Rama's progress. Together with your updates I paint a collectable water colour every month for you to enjoy, print out and keep.

We are excited to welcome you to our wild family.

Most gratefully,
Angela Sheldrick
